

FABRIC AND CARE INSTRUCTIONS

Sorona® fabric is an eco-friendly, high-performance textile made from renewable plant-based ingredients. It offers exceptional softness, stretch, and shape retention, along with excellent breathability and moisture-wicking properties—making it ideal for activewear like walking or cycling. Sorona is also wrinkle-resistant, durable, and naturally UV-protective, helping shield your skin from harmful sun exposure while keeping you comfortable and supported on every ride.

Sorona® Fabric Care Instructions:

- Machine Wash Cold (30°C / 86°F or below)
- Use Mild Detergent – avoid bleach or fabric softeners
- Wash with Like Colors to prevent dye transfer
- Do Not Bleach
- Tumble Dry Low or Hang to Dry
- Cool Iron if Needed – but avoid high heat
- Do Not Dry Clean

Extra Tips:

- Turn garments inside out before washing to protect the surface
- Avoid over-drying to maintain elasticity
- For activewear, air drying helps preserve fabric performance and reduces environmental impact
